Michi-no-Eki & Souvenirs you can buy there

Michi-no-Eki Jukai Road Hidaka

Before and after passing through the mountain pass

This Michi-no-Eki is located at the junction of National Route 274 and Route 237. It is located at the exit/entrance of the Nissho mountain pass that connects Sapporo and Obihiro. It is very convenient to stop for a rest, or to check the road conditions in the pass. You can also find a variety of local specialties here.

●Closed／New Year holidays Shop & Restaurant=Thu. Local specialty market=Wed. Cafe=Mon.
●Open／Rest area=9:00～20:00, 9:00～18:00 (Every Thursday) Cafe=9:00～19:00 Shop=9:00～20:00 Local specialty market=10:00～17:00 Restaurant=11:00～19:00
MAPCODE 694 128 825*81

Michi-no-Eki Thoroughbred Road Niikappu

A Michi-no-Eki that stands in the hometown of race horses

This Michi-no-Eki is located the center of Niikappu Town. Here, you can find a variety of items unique to the town, such as green pepper flavored soft serve ice cream, of which the town is Hokkaido's largest producer, as well as race horse related goods. Next to the roadside station, there is the "Yushun-no-to," which is the landmark of Niikappu Town. In the "Yushun-no-to" tower, there is also the "Record Hall," in which about a million phonograph records have been collected.

●Closed／Open Everyday(Apr. to Oct.), Every Monday(Nov. to Mar.) ※If Monday is a holiday, the next day, New Year holidays(12/30～1/3)
●Open／9:00～18:00(GW & Jul. to Sep.), 10:00～17:00(Nov. to Feb.), 10:00～18:00(Other months)
MAPCODE 551 068 789*14

Michi-no-Eki Mitsuishi

There is an auto camping ground near the sea.

This Michi-no-Eki is located in the Mitsuishi Beach Park. There, you can take a dip in the hot springs and eat local specialties after enjoying outdoor activities at the beach and auto camping grounds. You can spend your time in whatever way you want. You can buy various souvenirs made with the famous Mitsuishi kelp.

●Closed／New Year holidays(12/31～1/5)
●Open／8:45～22:00(Apr. to Sep.), 8:45～17:30(Oct. to Mar.)
●Shop／Mitsuishi local specialty market=9:00～18:00 (Apr. to Sep.), 9:00～17:00(Oct. to Mar.)

Visiting various hot springs in Hidaka Area

Saru River Hot Spring
Hidaka Kogen-so
(Hidaka district, Hidaka)

This facility, located close to Hidaka Kokusai Ski Resort, is also recommended as a base for winter leisure activities. Visitors can enjoy viewing the beautiful stars in the clear night sky.

Spring quality: simple sulfur cold mineral springs
MAPCODE 694 128 025*74

Shizunai Hot Spring
(Shinhidaka)

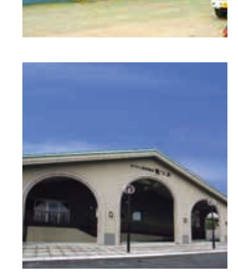
This hot spring located in a quiet atmosphere and surrounded by forests boasts soft hot-spring water that is kind to the skin.

Spring quality: sodium hydrocarbonate springs
MAPCODE 888 846 159*30

Mombetsu Hot Spring
Tonekko-no-yu
(Mombetsu district, Hidaka)

Enjoy the abundance of free-flowing natural hot-spring water. In addition to the large public bath of sodium chloride spring, which is reputed to warm up, the open-air bath and the monthly medicinal bath are popular.

Spring quality: low alkaline hypotonic springs
MAPCODE 442 276 320*74



Mitsuishi Konbu Onsen
Kurazo (Shinhidaka)

Enjoy bathing in the large boat-shaped open-air bath from which you can see the magnificent Pacific Ocean close at hand.

Spring quality: cold mineral springs
MAPCODE 564 481 080*41

Biratori Hot Spring Yukara
(Biratori)

Enjoy the magnificent open-air bath, where the renowned Kotaro-ishi stone is placed, as well as Japanese beef raised in Biratori and Nishipa's lunch for couples.

Spring quality: sodium-calcium-chloride strong saline springs
MAPCODE 442 830 188*11

Urakawa Yushun Village AERU
(Urakawa)

Black silica is used in the main and jet bubble bathtubs of the large observatory bath on the third floor. Warm yourself from the inside while delighting in the splendid view of the Hidaka Mountains.

MAPCODE 564 387 636*66

Niikappu Hot Spring
Re-Cord-no-yu (Niikappu)

The low hill commands a panoramic view of greenery, the sea and the sky, allowing visitors to experience the natural splendor of Hidaka.

Spring quality: alkaline hypotonic cold mineral springs
MAPCODE 551 069 329*25

Hotel Apoi Sanso (Samani)

This facility offers a panoramic view of Mt. Apoi and the Pacific Ocean. Relax in the open-air bath (closed during winter) and sauna while enjoying the unspoiled natural backdrop.

Shinhidaka produces the largest number of thoroughbreds nationwide; more than 20% of Japan's thoroughbreds are born here. Nijukken Doro, a street stretching seven straight kilometers, is lined on both sides with some 2,200 cherry trees that bloom in all their glory in spring. This street has been chosen as one of the 100 best cherry blossom viewing spots in Japan.

To Erimo
Samani River

At the Mt. Apoi Geopark visitors can enjoy the valuable legacy of the earth, abundant nature, and the distinguished history and culture of the town. The rich nature surrounding Samani produces delicious delicacies such as sea urchin, matsubu whelk, kelp, and salmon. Samani farmed strawberries are also a big hit.
